How you can get to Hotel?

Most public transportation in Izmir works with “İzmirKart(old name is Kent Kart)” which you load money, one pass is 3 TL with it, also using it anywhere will give you 90 minutes of free use in all following transportation. However, to buy İzmirKart, you need to find open box office, which may not be available if your arrival time isn't between standart working hours (9 a.m.-5 p.m.). We suggest you time your arrival between these times, which will make your travel to our meeting point much easier. However, if you can't find open box office to buy İzmirKart from, you should buy “3-5 Bilet” from automats to travel with. 3 pass ticket is priced 11 TL, which should be enough.
