# ABOUT THE PROJECT

The project includes 2 activities: the **APV** and the **Youth Exchange**.

**The APV (Advanced Planning Visit)** was organised between 25-26 on November 2021 in order to ensure a well prepared Youth Exchange for all involved participants and to share duties and responsibilities among youth leaders as well as to prepare all involved local stakeholders and activists for meeting our young people during the exchange.

**The Youth Exchange** is the main activity of the project for young people coming from 7 European countries that share common concerns and goals. The project aims to develop the knowledge and skills of the participants regarding the entrepreneurship in agricultural industry. The Youth Exchange meets the objectives of the project by giving the opportunity for young people to spend time in intercultural environment, get connected and active on local, national and international level as well as become more aware of different cultures, traditions and attitudes of young people coming from different countries.

# THE YOUTH EXCHANGE 10-17 OF FEBRUARY 2022

*The project is focused on youth empowerment in Agricultural sector.*

## Project's objectives & aims

- Development of participants' skills and knowledge (e.g. how to start a career/ create a business in the agricultural industry).
- Discussion of the following issues (a) factors that lead to high unemployment rates & (b) difficulty of creating new businesses in the agricultural sector.
- Creation & involvement in social and cultural campaigns related to the topic
- Promotion of teamwork, collaboration, active participation, social skills
- Promotion of common understanding, multicultural dialogue & activism of young people on local, regional, national and international level

*The participants will acquire knowledge relevant to the goals of the **European Union** and learn more about **European opportunities** they can take advantage of that focus on **personal & professional development**.*

*They will also develop personal skills at all stages of the project during **preparation, implementation, evaluation & reflection**.*

### Project methodology

- Non-formal & intercultural learning
- Experiential and creative methods
- Digital methods
